

**Reliable Products • Efficient Visual Communication**

## OUR COMPANY

With over 20 years of experience in developing and sourcing products for the Signage and Large Format Digital Printing Industry, North Star is a preferred choice of sign makers and digital printers in the Middle East region. We represent some of the best manufacturers from around the globe based in UK, USA, Europe, India, South Korea, Taiwan, and China.

## OUR MISSION

North Star's mission is to use its expertise in the large format printing industry to source the most reliable products from around the globe at the right price for its customers, which empowers them to enhance their production efficiency, organizational effectiveness, and profits. We aim to be an exceptional organization that has the potential to create superior value for our customers, employees, and shareholders.
